I'm from Scotland. I'm married to Ian and we have two children. We live in a modern flat in the centre of Edinburgh, the capital city. I have a very busy life. I get up every morning at half past six and I make breakfast for the family. I leave the house at a quarter to eight and take the children to school by car. Then I drive to my office. I'm a director in an international company. I like my job very much and I like the people I work with. At lunchtime I meet friends or I go to the gym but sometimes I don't have time for lunch and then I stay in the office. I finish work at six o'clock and get home at a quarter past six. Ian doesn't work every day so when he's at home he makes supper and we eat at seven o'clock. He's a very good cook! In the evenings the children do their homework and we watch television or a DVD

Hi, my name's Pavel and I'm from the Czech Republic. I live in Brno and I'm an engineer. I'm thirty-four years old and I'm not married. I work from Monday to Friday but I have free time too!

On Mondays and Wednesdays I go to the gym after I finish work. On Tuesdays I usually stay at home and read my sports magazines or I watch a DVD. I love films. Then on Thursdays I play football with my colleagues from work and on Fridays I meet my friends and we go to a restaurant for dinner.

Sport is very important to me and in the winter I go skiing every weekend. I can ski very well. In the summer I go cycling and when it's hot I go swimming. I enjoy other things too ... I love music but I can't play an instrument and although my friends say that I can't sing – I don't agree! I love food but I can't cook!

I check my emails every day so please write to me and tell me about your hobbies.

Reading

9 Read the restaurant reviews. Are the sentences about Ristorante Napoli (RN) or Jo's Diner (JD)?

What's new in town?

Ristorante Napoli

Ristorante Napoli is a large, modern restaurant in the centre of town.

They offer a large selection of dishes including a lot of vegetarian food. I recommend: the seafood starter with green salad and fresh bread. As a main dish, you can choose from pizzas or pasta. The spicy vegetarian pizza with mushrooms, peppers and cheese is very good. For meat eaters there are beef, chicken and lamb dishes with side orders of potatoes, rice or salad. The desserts are also excellent with an exotic fresh fruit salad (watermelon, pineapple, banana and orange), ice cream and sorbet (strawberry, chocolate, vanilla, lemon, orange), and traditional Italian cakes.

Open for lunch (12 p.m. – 3 p.m.) and for supper (6:30 p.m. – 11:30 p.m.). Closed on Mondays.

Cost: €35 per person for three courses, mineral water and coffee.

Joe's Diner

Joe's Diner is a busy, traditional fast-food restaurant for people who don't have much time.

This is the perfect restaurant for families with children. They offer two different menus: breakfast and lunch/dinner. The lunch menu is good value and offers everything that children love to eat: hamburgers and cheeseburgers with fries, or hot dogs with fries are their speciality. These come with a side order of salad and garlic bread. You can have a free bottle of cola, juice or mineral water when you order three meals. For vegetarians there is only one option – a veggie burger with fries. For dessert you can have apple pie with vanilla ice cream or cheesecake.

Open every day, twelve hours a day 8 a.m. – 8 p.m.

Cost: €6 per person

Hi Nico

How are you? I hope everything is fine and you like your new job.

I've got so much news to tell you. I've got a new job too ... English teacher in a language school in Sofia. Do you know anything about Bulgaria? Well, Sofia is the capital and it's in the west of the country near the borders with Serbia, Macedonia and Greece. It's in a valley very near Vitosha – a beautiful mountain. You can go for fantastic walks in the forests there.

I've got a small apartment in an old building near the city centre. It's quite high up so I can see a lot of interesting things from my bedroom window. There are over one million people here and it's a busy, noisy city.

My apartment is quite small and quiet. I've got a bedroom, living room, kitchen and bathroom so it's good for one person. In the kitchen there's a cooker, dishwasher (very nice!), fridge and microwave. You know I can't cook so that's very useful! The bedroom is quite small with a bed, cupboard and some bookshelves. The living room is very big with a sofa (where you can sleep when you come to visit me), table and chairs and lots of bookshelves. There's even a TV and a music system so I'm very happy.

I really like it here. There are a lot of things to see and do and there's a great restaurant on my street. It's a traditional Bulgarian place with live music every Friday and Saturday.

My first day at school is tomorrow so wish me luck!

Write soon.

Hi Lucy

I'm here in Prague on a weekend break with my sister. We arrived at the airport at three o'clock yesterday afternoon and we took the bus and metro into the city centre and went to our hotel. It's a lovely old building near the river. We walked around the old town for an hour and then found a cosy restaurant for supper. I love the Czech food but it's difficult for Ginny because she's a vegetarian.

Did you know I came to Prague for the first time twenty years ago? It's very different now. In those days there were only a few department stores and there weren't any shopping centres. And the restaurants were really bad and it wasn't often possible to have a meal without meat! I loved it though because it was very different from other big cities because you can walk everywhere when you're in the centre of the city. I'm pleased that some things are still the same. The buildings in the old town are still beautiful and there are lots of churches, art galleries, museums and cafés to visit. I love music and opera so we got tickets for an opera at the National Theatre for this evening.

Ginny isn't very interested in sightseeing. I don't understand her but because I know Prague, I'm happy to go shopping with her.

See you soon dear friend.

Hi everyone!

This is the end of the first week of the new term and I've got lots of new classmates I want to tell you about! There are twelve students in this class. We're Class A and we come from a lot of different countries. It's really funny because we only speak English. I can't speak Spanish or Czech or Japanese and I only know a few words in German and French. I think it's good for us.

Stefan is from Munich in Germany. I think his English is good. I like him because he's very friendly. He's slim and tall with dark hair. He wears glasses and he has a lovely smile. I'm sure all the girls think he's handsome! Then there's Michael who's also from Germany but he's quite unfriendly.

Zdenka is from the Czech Republic. She's quite shy so I don't know her very well. She's very tanned with long fair hair and she's very attractive. The boys all like her of course.

I usually sit next to Ana who's from Spain. I can't understand her English because she has a strong accent but I like her very much. She's very confident and pretty with short dark hair. She's quite short and very slim.

Akiko is from Japan, from Kyoto I think. She's a lovely person but very quiet. I think she's shy and her English isn't very good. She spends time with the other Japanese girl Keiko. I think they live in the same house too.

Our teacher, Greg, is from Australia. He's tall with a grey beard and moustache. I don't know how old he is but maybe fifty. He's very funny and friendly and he always helps us. I think he's very good.

So, that's it for now. Please write back and give me your news.

It's 5:30 in the afternoon on Saturday 5th June and I'm sitting in the grass outside Salisbury Cathedral with thousands of people. I arrived in England yesterday after two weeks in France. I decided to come here and visit my friends Clare and Tom. They're from the USA but they're travelling around England at the moment. They told me about this fantastic city so now I'm here too!

We're all here for the final concert of the Salisbury International Arts Festival. The Festival takes place at the same time every year and every year there is a different theme. This year it's India so everything is connected with the country – music, theatre, films, books and food! Luckily today the weather is fantastic but yesterday it was terrible. The sun is shining and there aren't any clouds in the sky. The atmosphere is great and everyone is enjoying themselves. There are families with children, students, old people, in fact people of all ages from zero to eighty! There are lots of activities for the children so they're all very happy and running around. Most people have picnics with them as well.

My friend Claire made some delicious food this morning so we have sandwiches, salads, a huge chocolate cake, fruit and drinks. We brought some small chairs so we're very comfortable and we're not far from the musicians. No-one is playing at the moment but the programme looks very interesting. There are three bands and the first band starts at 6:00 p.m. I love Indian music so I hope we can dance. There's space at the front so I'm sure we can.

People say that the English people aren't very friendly but I can say that everyone here is very kind and helpful. I'm having a great time!

Schooldays – the happiest days of your life?

Send us your thoughts and win a new laptop!

When I was at primary school I really didn't enjoy school. Everyone said 'come on Jenny. These are the best days of your life!' I didn't believe them. I always left my homework until the last minute and I remember Mum. She got so angry with me. 'Sit down and do your homework NOW!' But I wanted to talk on the phone or play computer games with my friends. 'I said SIT DOWN!' It was the same thing every Sunday evening. I feel sorry for her now of course.

Then when I was eleven and went to secondary school, everything changed. And that was because of one teacher: Mrs Mann. She was our maths teacher. I didn't think I was good at maths but she showed me that I was. She was so interesting and funny and she was very young and attractive too I remember. She had long fair hair and wore really nice clothes. She was probably in her mid-twenties. We all enjoyed her lessons. She always had time for us. She was always in a good mood and she never shouted at us. Mum never had to tell me to do my homework after I met Mrs Mann! When I got home after school, I did my homework immediately because I wanted to do well.

In fact I enjoyed Mrs Mann's lessons so much that I decided to study maths at university. I know she was pleased. When I was a student I wrote to her every term and sometimes we met during the holidays. That was twenty years ago. And now I'm a maths lecturer at the university where I studied. I hope that my students enjoy studying with me as much as I enjoyed learning with Mrs Mann.

Question

Trekking is always good because you don't have to be extremely fit but it's a good idea to do some training before you go of course. People usually go in groups so you can meet new people and make friends while you're walking. This year I'm going to do the Great Wall of China trek. I've always wanted to go to China. It's nice to think that you can have fun and do something useful at the same time.

Gary

Do you know how to sail? We're going to go on the Fastnet Sailing Challenge. I've been a sailor since I was a child so I feel very comfortable on the sea but I know that this race is only for people who have had a lot of experience and it's very tough. The weather can be really bad at that time of year as well. It's definitely not for someone who can't swim!

Paula

I love horses so I'm going to do the Mongolian Horse-riding Challenge. I've seen so many pictures of Mongolia in books and on the Internet and now I'm really going to raise the money to go there. It's for two weeks and we're going to do it in the summer so it's going to be very hot in the desert, and cold at night of course. I'm busy raising money at the moment but hope to have all the money I need soon.

Casey

Why don't you think about the London to Paris Cycle Ride? Hundreds of people are going to enter. It's tough but not that tough and you can go at your own speed. You don't have to race. It's good for all ages too and last year there were a few people in their seventies. The good thing is that you don't have to fly anywhere to start the fun.

Anne

You don't have to go abroad to raise money! Why don't you organise some events in your local area? There are so many things you can do. In the past I've organised concerts, parties, talent shows and coffee mornings. That way you also meet local people. I think it's good to invite friends and neighbours to help.

Reading**10 Read the email. Are the statements true (T), false (F) or not given (NG)?**

Hi Luke

How are you? How's the new house? Are you enjoying the nightlife in Buenos Aires?

I started my new job last month so I now have a good routine. I'm enjoying the work, but it's hard because I get up early every day (you know how I like to stay in bed late!). I try and go for a swim most days before work because there's a gym and swimming pool in the building. It's relaxing and I feel very good after the exercise. I'm in the office at 8:30 and first of all I check my emails. You can't imagine how many emails I get every day! Because we're an international company with offices all over the world, we get a lot of emails during the night as well, so we're always busy. There's no time to sit and do nothing! I've got some really nice colleagues and we usually go for lunch together on Fridays. On the other days, I go shopping or I go for a walk when the sun's shining and sometimes I stay at my desk and have a quick sandwich – not very healthy I know.

I don't know many people here, so I like going out at the weekends. Of course I have a lie-in on Saturday and Sunday and if there's an interesting exhibition on, I go to that. I want to join some local clubs as well, maybe hiking or tennis.

I'm having a lazy day today because I'm really tired and it's raining. I stayed in bed until 11 o'clock and now I'm sitting at the computer and writing emails to friends. I'm staying with my cousin at the moment, but I really want my own apartment. It's quite stressful because everything is so expensive here, but I'm looking. My cousin is very kind, but she enjoys doing different things and her lifestyle is quite different from mine.

This evening we're going to a concert together. I'm not sure who is playing, but I think it's a classical concert.

When I have my new apartment, you must come down and stay with me! Write soon and give me your news.

Sing!

Today a lot of singers and actors use their fame to raise money for charity. You only have to go on the internet and you can see just how many things they do. A celebrity name at a charity event can raise thousands of dollars and it is a good way for these people to give something back to the world that has made them rich and famous.

One such person is Scottish singer songwriter Annie Lennox. She was born on 25 December 1954 into a poor family. She grew up and went to school in Aberdeen and when she was seventeen she moved to London and went to the Royal Academy of Music where she studied the flute and classical music for three years.

A few years later she met Dave Stewart and between 1977 and 1980 they were in a group, The Tourists, where she was the lead singer. When the band split up, Annie and Dave formed a new band: Eurythmics. Together they recorded several albums. They sold more than 75 million albums worldwide, with over twenty international hits. They didn't officially separate but Annie started a solo career in the 1990s. Her first solo album, *Diva*, was released in 1992 and sold around six million copies. Since then she has recorded several albums.

However, Annie Lennox isn't just a successful singer and musician. She is a dynamic charity fundraiser* and over the years has achieved many great results. In 2007, she recorded a fundraising single called *Sing* with a 23-member choir of female celebrities including Madonna, Shakira, kd lang, Dido and Celine Dion. The money they raised went to Treatment Action Campaign (TAC), an organisation which works on the African continent.

Multi-award winning Annie Lennox has come a long way since the 1980s when she was the singer with Eurythmics. Since then, she has become a successful solo artist and has raised money for many charities including Amnesty International, Greenpeace and Nelson Mandela's 46664 Foundation. She does a lot of her charity work through the internet, which she calls 'Laptop Activism', and encourages everyone to do something to make a difference.

*Fundraiser: someone who collects (or 'raises') money for charity by organising events

££**A**

I was very happy to receive an invitation to the new Indian restaurant last week, so I called my dear friend Louis and we went to the Neel Akash, which means 'blue sky', to see what all the fuss was about.

B

The Neel Akash is near the town square at the end of Sussex Street, opposite the library. It is very central, so we walked there, but it is easy to get to from the train and bus stations and it also has its own car park.

C

The restaurant has only been open for two weeks, so it still feels very new. The décor is traditional with a lot of wood and dark reds and greens. The lighting isn't too bright and the atmosphere is warm and friendly. I particularly liked the flowers and candles on all the tables. There were already a lot of people there, so it was lively but not too noisy.

D

When we arrived, a pleasant young waiter showed us to our table which was in the window overlooking the garden. As soon as we sat down, another waiter brought the menu and took our drinks order. He explained the different dishes to us, recommended the specialities of the restaurant and then gave us some time to make our choices.

E

I love Indian food and wanted to taste everything, but in the end I ordered a selection of starters for us to share. We had shami kebab – spiced lamb, aloo chat – spicy potatoes, and egg akuri which is egg cooked with onions and served with bread. For my main course I had chicken tikka korma which is a mild chicken cooked in a cream sauce. I don't like very spicy food so that was hot enough for me. This came with delicious boiled rice and nan bread. My friend ordered a very spicy fish curry which he had with a side dish of raita which is yoghurt with cucumber. Everything looked perfect and tasted absolutely delicious.

F

When the bill came we were pleasantly surprised as it was very reasonable. We paid £20 per person which included drinks and a tip. For a cheaper option, you can have a buffet lunch during the week which costs £7.95 and you can eat as much as you like for that.

Hi Maria

How are you? I hope everything's OK over there and the sun is finally shining! It's been such a bad winter, hasn't it?!

This is the first time I've managed to get to an internet café, but I'm here now and have lots to tell you. I'm staying with friends of Dan's in Seattle. I didn't know them before I came here, but now I feel like part of the family. They've been so kind and have taken me all over the city.

It often rains here on the west coast, but the weather has been great since I've been here so I'm really lucky. On my first day, I decided to go downtown to walk along the water front. There's a famous market there called Pike Place Market. It's one of the oldest (over 100 years old) and biggest markets I've ever been to. I really couldn't believe my eyes! The colours and smells were just amazing. I had lunch in a restaurant called The Athenian where Tom Hanks ate in my favourite film Sleepless in Seattle. The views were fantastic, but the food wasn't that great.

I'm here for another week, so I want to visit some of the museums and galleries and maybe go to the theatre as well. We're going to the Space Needle (another big tourist attraction) for dinner this evening. The restaurant is at the top of the Needle and it moves round slowly so you can get a view of the whole city while you're eating. I'm really looking forward to it as they say the food is the best in the city.

Although I really like it here, I feel quite strange sometimes because of the language differences. I know we all speak English, but we don't really speak the same language at all. A lot of people here find it difficult to understand what I'm saying because of my accent and it's the same for me. And there are a lot of different words as well. Did you know that 'cookies' are 'biscuits' and 'pants' are 'trousers'?!

I think I can honestly say that I have never been to a country of so many superlatives. Everything here really is the biggest, the best, the smallest, the worst, the highest, the greatest. Welcome to America!

I've got to go now, but thanks again for looking after my flat (or is that apartment?!) while I'm here. I'll bring you back the best souvenir I can find!

Love

I'm from Scotland. I'm married to Ian and we have two children. We live in a modern flat in the centre of Edinburgh, the capital city. I have a very busy life. I get up every morning at half past six and I make breakfast for the family. I leave the house at a quarter to eight and take the children to school by car. Then I drive to my office. I'm a director in an international company. I like my job very much and I like the people I work with. At lunchtime I meet friends or I go to the gym but sometimes I don't have time for lunch and then I stay in the office. I finish work at six o'clock and get home at a quarter past six. Ian doesn't work every day so when he's at home he makes supper and we eat at seven o'clock. He's a very good cook! In the evenings the children do their homework and we watch television or a DVD.

Sport is very important to me and in the winter I go skiing every weekend. I can ski very well. In the summer I go cycling and when it's hot I go swimming. I enjoy other things too ... Reading**9 Read the restaurant reviews. Are the sentences about Ristorante Napoli (RN) or Jo's Diner (JD)? What's new in town?****Ristorante Napoli**

Ristorante Napoli is a large, modern restaurant in the centre of town.

They offer a large selection of dishes including a lot of vegetarian food. I recommend: the seafood starter with green salad and fresh bread. As a main dish, you can choose from pizzas or pasta. The spicy vegetarian pizza with mushrooms, peppers and cheese is very good. For meat eaters there are beef, chicken and lamb dishes with side orders of potatoes, rice or salad. The desserts are also excellent with an exotic fresh fruit salad (watermelon, pineapple, banana and orange), ice cream and sorbet (strawberry, chocolate, vanilla, lemon, orange), and traditional Italian cakes.

Open for lunch (12 p.m. – 3 p.m.) and for supper (6:30 p.m. – 11:30 p.m.). Closed on Mondays.

Cost: €35 per person for three courses, mineral water and coffee.

Joe's Diner

Joe's Diner is a busy, traditional fast-food restaurant for people who don't have much time.

This is the perfect restaurant for families with children. They offer two different menus: breakfast and lunch/dinner. The lunch menu is good value and offers everything that children love to eat: hamburgers and cheeseburgers with fries, or hot dogs with fries are their speciality. These come with a side order of salad and garlic bread. You can have a free bottle of cola, juice or mineral water when you order three meals. For vegetarians there is only one option – a veggie burger with fries. For dessert you can have apple pie with vanilla ice cream or cheesecake.

Open every day, twelve hours a day 8 a.m. – 8 p.m.

Cost: €6 per person

Hi Nico

How are you? I hope everything is fine and you like your new job.

I've got so much news to tell you. I've got a new job too ... English teacher in a language school in Sofia. Do you know anything about Bulgaria? Well, Sofia is the capital and it's in the west of the country near the borders with Serbia, Macedonia and Greece. It's in a valley very near Vitosha – a beautiful mountain. You can go for fantastic walks in the forests there.

I've got a small apartment in an old building near the city centre. It's quite high up so I can see a lot of interesting things from my bedroom window. There are over one million people here and it's a busy, noisy city.

My apartment is quite small and quiet. I've got a bedroom, living room, kitchen and bathroom so it's good for one person. In the kitchen there's a cooker, dishwasher (very nice!), fridge and microwave. You know I can't cook so that's very useful! The bedroom is quite small with a bed, cupboard and some bookshelves. The living room is very big with a sofa (where you can sleep when you come to visit me), table and chairs and lots of bookshelves. There's even a TV and a music system so I'm very happy.

I really like it here. There are a lot of things to see and do and there's a great restaurant on my street. It's a traditional Bulgarian place with live music every Friday and Saturday.

My first day at school is tomorrow so wish me luck!

Write soon.

Hi Lucy

I'm here in Prague on a weekend break with my sister. We arrived at the airport at three o'clock yesterday afternoon and we took the bus and metro into the city centre and went to our hotel. It's a lovely old building near the river. We walked around the old town for an hour and then found a cosy restaurant for supper. I love the Czech food but it's difficult for Ginny because she's a vegetarian.

Did you know I came to Prague for the first time twenty years ago? It's very different now. In those days there were only a few department stores and there weren't any shopping centres. And the restaurants were really bad and it wasn't often possible to have a meal without meat! I loved it though because it was very different from other big cities because you can walk everywhere when you're in the centre of the city. I'm pleased that some things are still the same. The buildings in the old town are still beautiful and there are lots of churches, art galleries, museums and cafés to visit. I love music and opera so we got tickets for an opera at the National Theatre for this evening.

Ginny isn't very interested in sightseeing. I don't understand her but because I know Prague, I'm happy to go shopping with her.

See you soon dear friend.

Hi everyone!

This is the end of the first week of the new term and I've got lots of new classmates I want to tell you about! There are twelve students in this class. We're Class A and we come from a lot of different countries. It's really funny because we only speak English. I can't speak Spanish or Czech or Japanese and I only know a few words in German and French. I think it's good for us.

Stefan is from Munich in Germany. I think his English is good. I like him because he's very friendly. He's slim and tall with dark hair. He wears glasses and he has a lovely smile. I'm sure all the girls think he's handsome! Then there's Michael who's also from Germany but he's quite unfriendly.

Zdenka is from the Czech Republic. She's quite shy so I don't know her very well. She's very tanned with long fair hair and she's very attractive. The boys all like her of course.

I usually sit next to Ana who's from Spain. I can't understand her English because she has a strong accent but I like her very much. She's very confident and pretty with short dark hair. She's quite short and very slim.

Akiko is from Japan, from Kyoto I think. She's a lovely person but very quiet. I think she's shy and her English isn't very good. She spends time with the other Japanese girl Keiko. I think they live in the same house too.

Our teacher, Greg, is from Australia. He's tall with a grey beard and moustache. I don't know how old he is but maybe fifty. He's very funny and friendly and he always helps us. I think he's very good.

So, that's it for now. Please write back and give me your news.

10 Read Tilly's blog and choose the correct answers.

It's 5:30 in the afternoon on Saturday 5th June and I'm sitting in the grass outside Salisbury Cathedral with thousands of people. I arrived in England yesterday after two weeks in France. I decided to come here and visit my friends Clare and Tom. They're from the USA but they're travelling around England at the moment. They told me about this fantastic city so now I'm here too!

We're all here for the final concert of the Salisbury International Arts Festival. The Festival takes place at the same time every year and every year there is a different theme. This year it's India so everything is connected with the country – music, theatre, films, books and food! Luckily today the weather is fantastic but yesterday it was terrible. The sun is shining and there aren't any clouds in the sky. The atmosphere is great and everyone is enjoying themselves. There are families with children, students, old people, in fact people of all ages from zero to eighty! There are lots of activities for the children so they're all very happy and running around. Most people have picnics with them as well.

My friend Claire made some delicious food this morning so we have sandwiches, salads, a huge chocolate cake, fruit and drinks. We brought some small chairs so we're very comfortable and we're not far from the musicians. No-one is playing at the moment but the programme looks very interesting. There are three bands and the first band starts at 6:00 p.m. I love Indian music so I hope we can dance. There's space at the front so I'm sure we can.

People say that the English people aren't very friendly but I can say that everyone here is very kind and helpful. I'm having a great time!

I want to raise money for a children's home in Zambia but I've never done anything like this before so I'd be very grateful for any ideas that you have. I know there are a lot of websites with advice but I'd like to hear from people with personal experience.

Trekking is always good because you don't have to be extremely fit but it's a good idea to do some training before you go of course. People usually go in groups so you can meet new people and make friends while you're walking. This year I'm going to do the Great Wall of China trek. I've always wanted to go to China. It's nice to think that you can have fun and do something useful at the same time.

Do you know how to sail? We're going to go on the Fastnet Sailing Challenge. I've been a sailor since I was a child so I feel very comfortable on the sea but I know that this race is only for people who have had a lot of experience and it's very tough. The weather can be really bad at that time of year as well. It's definitely not for someone who can't swim!

I love horses so I'm going to do the Mongolian Horse-riding Challenge. I've seen so many pictures of Mongolia in books and on the Internet and now I'm really going to raise the money to go there. It's for two weeks and we're going to do it in the summer so it's going to be very hot in the desert, and cold at night of course. I'm busy raising money at the moment but hope to have all the money I need soon.

Casey

Why don't you think about the London to Paris Cycle Ride? Hundreds of people are going to enter. It's tough but not that tough and you can go at your own speed. You don't have to race. It's good for all ages too and last year there were a few people in their seventies. The good thing is that you don't have to fly anywhere to start the fun.

Anne

You don't have to go abroad to raise money! Why don't you organise some events in your local area? There are so many things you can do. In the past I've organised concerts, parties, talent shows and coffee mornings. That way you also meet local people. I think it's good to invite friends and neighbours to help.

Schooldays – the happiest days of your life?

Send us your thoughts and win a new laptop!

When I was at primary school I really didn't enjoy school. Everyone said 'come on Jenny. These are the best days of your life!' I didn't believe them. I always left my homework until the last minute and I remember Mum. She got so angry with me. 'Sit down and do your homework NOW!' But I wanted to talk on the phone or play computer games with my friends. 'I said SIT DOWN!' It was the same thing every Sunday evening. I feel sorry for her now of course.

Then when I was eleven and went to secondary school, everything changed. And that was because of one teacher: Mrs Mann. She was our maths teacher. I didn't think I was good at maths but she showed me that I was. She was so interesting and funny and she was very young and attractive too I remember. She had long fair hair and wore really nice clothes. She was probably in her mid-twenties. We all enjoyed her lessons. She always had time for us. She was always in a good mood and she never shouted at us. Mum never had to tell me to do my homework after I met Mrs Mann! When I got home after school, I did my homework immediately because I wanted to do well.

In fact I enjoyed Mrs Mann's lessons so much that I decided to study maths at university. I know she was pleased. When I was a student I wrote to her every term and sometimes we met during the holidays. That was twenty years ago. And now I'm a maths lecturer at the university where I studied. I hope that my students enjoy studying with me as much as I enjoyed learning with Mrs Mann.

10 Read the email. Are the statements true (T), false (F) or not given (NG)?

Hi Luke

How are you? How's the new house? Are you enjoying the nightlife in Buenos Aires?

I started my new job last month so I now have a good routine. I'm enjoying the work, but it's hard because I get up early every day (you know how I like to stay in bed late!). I try and go for a swim most days before work because there's a gym and swimming pool in the building. It's relaxing and I feel very good after the exercise. I'm in the office at 8:30 and first of all I check my emails. You can't imagine how many emails I get every day! Because we're an international company with offices all over the world, we get a lot of emails during the night as well, so we're always busy. There's no time to sit and do nothing! I've got some really nice colleagues and we usually go for lunch together on Fridays. On the other days, I go shopping or I go for a walk when the sun's shining and sometimes I stay at my desk and have a quick sandwich – not very healthy I know.

I don't know many people here, so I like going out at the weekends. Of course I have a lie-in on Saturday and Sunday and if there's an interesting exhibition on, I go to that. I want to join some local clubs as well, maybe hiking or tennis.

I'm having a lazy day today because I'm really tired and it's raining. I stayed in bed until 11 o'clock and now I'm sitting at the computer and writing emails to friends. I'm staying with my cousin at the moment, but I really want my own apartment. It's quite stressful because everything is so expensive here, but I'm looking. My cousin is very kind, but she enjoys doing different things and her lifestyle is quite different from mine.

This evening we're going to a concert together. I'm not sure who is playing, but I think it's a classical concert.

When I have my new apartment, you must come down and stay with me! Write soon and give me your news.

Sing!

Today a lot of singers and actors use their fame to raise money for charity. You only have to go on the internet and you can see just how many things they do. A celebrity name at a charity event can raise thousands of dollars and it is a good way for these people to give something back to the world that has made them rich and famous.

One such person is Scottish singer songwriter Annie Lennox. She was born on 25 December 1954 into a poor family. She grew up and went to school in Aberdeen and when she was seventeen she moved to London and went to the Royal Academy of Music where she studied the flute and classical music for three years.

A few years later she met Dave Stewart and between 1977 and 1980 they were in a group, The Tourists, where she was the lead singer. When the band split up, Annie and Dave formed a new band: Eurythmics. Together they recorded several albums. They sold more than 75 million albums worldwide, with over twenty international hits. They didn't officially separate but Annie started a solo career in the 1990s. Her first solo album, Diva, was released in 1992 and sold around six million copies. Since then she has recorded several albums.

However, Annie Lennox isn't just a successful singer and musician. She is a dynamic charity fundraiser* and over the years has achieved many great results. In 2007, she recorded a fundraising single called Sing with a 23-member choir of female celebrities including Madonna, Shakira, kd lang, Dido and Celine Dion. The money they raised went to Treatment Action Campaign (TAC), an organisation which works on the African continent.

Multi-award winning Annie Lennox has come a long way since the 1980s when she was the singer with Eurythmics. Since then, she has become a successful solo artist and has raised money for many charities including Amnesty International, Greenpeace and Nelson Mandela's 46664 Foundation. She does a lot of her charity work through the internet, which she calls 'Laptop Activism', and encourages everyone to do something to make a difference.

Neel Akash

Indian & Bangladeshi Restaurant

££

A

I was very happy to receive an invitation to the new Indian restaurant last week, so I called my dear friend Louis and we went to the Neel Akash, which means 'blue sky', to see what all the fuss was about.

B

The Neel Akash is near the town square at the end of Sussex Street, opposite the library. It is very central, so we walked there, but it is easy to get to from the train and bus stations and it also has its own car park.

C

The restaurant has only been open for two weeks, so it still feels very new. The décor is traditional with a lot of wood and dark reds and greens. The lighting isn't too bright and the atmosphere is warm and friendly. I particularly liked the flowers and candles on all the tables. There were already a lot of people there, so it was lively but not too noisy.

D

When we arrived, a pleasant young waiter showed us to our table which was in the window overlooking the garden. As soon as we sat down, another waiter brought the menu and took our drinks order. He explained the different dishes to us, recommended the specialities of the restaurant and then gave us some time to make our choices.

E

I love Indian food and wanted to taste everything, but in the end I ordered a selection of starters for us to share. We had shami kebab – spiced lamb, aloo chat – spicy potatoes, and egg akuri which is egg cooked with onions and served with bread. For my main course I had chicken tikka korma which is a mild chicken cooked in a cream sauce. I don't like very spicy food so that was hot enough for me. This came with delicious boiled rice and nan bread. My friend ordered a very spicy fish curry which he had with a side dish of raita which is yoghurt with cucumber. Everything looked perfect and tasted absolutely delicious.

F

When the bill came we were pleasantly surprised as it was very reasonable. We paid £20 per person which included drinks and a tip. For a cheaper option, you can have a buffet lunch during the week which costs £7.95 and you can eat as much as you like for that.

Hi Maria

How are you? I hope everything's OK over there and the sun is finally shining! It's been such a bad winter, hasn't it?!

This is the first time I've managed to get to an internet café, but I'm here now and have lots to tell you. I'm staying with friends of Dan's in Seattle. I didn't know them before I came here, but now I feel like part of the family. They've been so kind and have taken me all over the city.

It often rains here on the west coast, but the weather has been great since I've been here so I'm really lucky. On my first day, I decided to go downtown to walk along the water front. There's a famous market there called Pike Place Market. It's one of the oldest (over 100 years old) and biggest markets I've ever been to. I really couldn't believe my eyes! The colours and smells were just amazing. I had lunch in a restaurant called The Athenian where Tom Hanks ate in my favourite film *Sleepless in Seattle*. The views were fantastic, but the food wasn't that great.

I'm here for another week, so I want to visit some of the museums and galleries and maybe go to the theatre as well. We're going to the Space Needle (another big tourist attraction) for dinner this evening. The restaurant is at the top of the Needle and it moves round slowly so you can get a view of the whole city while you're eating. I'm really looking forward to it as they say the food is the best in the city.

Although I really like it here, I feel quite strange sometimes because of the language differences. I know we all speak English, but we don't really speak the same language at all. A lot of people here find it difficult to understand what I'm saying because of my accent and it's the same for me. And there are a lot of different words as well. Did you know that 'cookies' are 'biscuits' and 'pants' are 'trousers'?!

I think I can honestly say that I have never been to a country of so many superlatives. Everything here really is the biggest, the best, the smallest, the worst, the highest, the greatest. Welcome to America!

I've got to go now, but thanks again for looking after my flat (or is that apartment?!) while I'm here. I'll bring you back the best souvenir I can find!

Love

Every month we invite our readers to write in and tell us about someone special in their lives. (0) This month's winning entry is by Richard Jackson.

I suppose when you're young you don't really think about the people around you.

(1) _____ Now that I'm a father, however, I think about things differently and I realise how lucky we were as children.

I grew up on a farm. I had two younger brothers and one older sister, so I was in the middle. Our father used to work very hard because it was his farm. (2) _____ Our mother used to teach at the local primary school so we spent a lot of time with our grandparents who lived with us.

Our grandmother was an amazing woman. She got married when she was very young and she had six children, which was quite usual in those days. She stayed at home to look after all of them, but when they were older she decided she wanted to go to university. She graduated when she was fifty years old. (3)

Before we were old enough to go to school, she used to look after us. (4) _____ She taught us to read and she told us stories about her life, but perhaps the most important thing she taught us was that we can do anything if we believe we can.

My grandmother died ten years ago, but when I look at my family now, I can still remember her words. (5)

5. Методические указания для обучающихся по освоению дисциплины (модуля)

5.1 Методические указания по организации самостоятельной работы обучающихся:

Приступая к изучению дисциплины, в первую очередь обучающимся необходимо ознакомиться содержанием рабочей программы дисциплины (РПД), которая определяет содержание, объем, а также порядок изучения и преподавания учебной дисциплины, ее раздела, части.

Для самостоятельной работы важное значение имеют разделы «Объем и содержание дисциплины», «Учебно-методическое и информационное обеспечение дисциплины» и «Материально-техническое обеспечение дисциплины, программное обеспечение, профессиональные базы данных и информационные справочные системы».

В разделе «Объем и содержание дисциплины» указываются все разделы и темы изучаемой дисциплины, а также виды занятий и планируемый объем в академических часах.

В разделе «Учебно-методическое и информационное обеспечение дисциплины» указана рекомендуемая основная и дополнительная литература.

В разделе «Материально-техническое обеспечение дисциплины, программное обеспечение, профессиональные базы данных и информационные справочные системы» содержится перечень профессиональных баз данных и информационных справочных систем, необходимых для освоения дисциплины.

5.2 Рекомендации обучающимся по работе с теоретическими материалами по дисциплине

При изучении и проработке теоретического материала необходимо:

- просмотреть еще раз презентацию лекции в системе MOODLe, повторить законспектированный на лекционном занятии материал и дополнить его с учетом рекомендованной дополнительной литературы;
- при самостоятельном изучении теоретической темы сделать конспект, используя рекомендованные в РПД источники, профессиональные базы данных и информационные справочные системы;

- ответить на вопросы для самостоятельной работы, по теме представленные в пункте 3.2 РПД.
- при подготовке к текущему контролю использовать материалы фонда оценочных средств (ФОС).

5.3 Рекомендации по работе с научной и учебной литературой

Работа с основной и дополнительной литературой является главной формой самостоятельной работы и необходима при подготовке к устному опросу на семинарских занятиях, к дебатам, тестированию, экзамену. Она включает проработку лекционного материала и рекомендованных источников и литературы по тематике лекций.

Конспект лекции должен содержать реферативную запись основных вопросов лекции, в том числе с опорой на размещенные в системе MOODLe презентации, основных источников и литературы по темам, выводы по каждому вопросу. Конспект может быть выполнен в рамках распечатки выдачи презентаций лекций или в отдельной тетради по предмету. Он должен быть аккуратным, хорошо читаемым, не содержать не относящуюся к теме информацию или рисунки.

Конспекты научной литературы при самостоятельной подготовке к занятиям должны содержать ответы на каждый поставленный в теме вопрос, иметь ссылку на источник информации с обязательным указанием автора, названия и года издания используемой научной литературы. Конспект может быть опорным (содержать лишь основные ключевые позиции), но при этом позволяющим дать полный ответ по вопросу, может быть подробным. Объем конспекта определяется самим студентом.

В процессе работы с основной и дополнительной литературой студент может:

- делать записи по ходу чтения в виде простого или развернутого плана (создавать перечень основных вопросов, рассмотренных в источнике);
- составлять тезисы (цитирование наиболее важных мест статьи или монографии, короткое изложение основных мыслей автора);
- готовить аннотации (краткое обобщение основных вопросов работы);
- создавать конспекты (развернутые тезисы).

5.4. Рекомендации по подготовке к отдельным заданиям текущего контроля

Собеседование предполагает организацию беседы преподавателя со студентами по вопросам практического занятия с целью более обстоятельного выявления их знаний по определенному разделу, теме, проблеме и т.п. Все члены группы могут участвовать в обсуждении, добавлять информацию, дискутировать, задавать вопросы и т.д.

Устный опрос может применяться в различных формах: фронтальный, индивидуальный, комбинированный. Основные качества устного ответа подлежащего оценке:

- правильность ответа по содержанию;
- полнота и глубина ответа;
- сознательность ответа;
- логика изложения материала;
- рациональность использованных приемов и способов решения поставленной учебной задачи;
- своевременность и эффективность использования наглядных пособий и технических средств при ответе;
- использование дополнительного материала;
- рациональность использования времени, отведенного на задание.

Устный опрос может сопровождаться презентацией, которая подготавливается по одному из вопросов практического занятия. При выступлении с презентацией необходимо обращать внимание на такие моменты как:

- содержание презентации: актуальность темы, полнота ее раскрытия, смысловое содержание, соответствие заявленной темы содержанию, соответствие методическим требованиям (цели, ссылки на ресурсы, соответствие содержания и литературы), практическая направленность, соответствие содержания заявленной форме, адекватность использования технических средств учебным задачам, последовательность и логичность презентуемого материала;

- оформление презентации: объем (оптимальное количество), дизайн (читаемость, наличие и соответствие графики и анимации, звуковое оформление, структурирование информации, соответствие заявленным требованиям), оригинальность оформления, эстетика, использование возможности программной среды, соответствие стандартам оформления;
- личностные качества: ораторские способности. соблюдение регламента, эмоциональность, умение ответить на вопросы, систематизированные, глубокие и полные знания по всем разделам программы:
- содержание выступления: логичность изложения материала, раскрытие темы, доступность изложения, эффективность применения средств ИКТ, способы и условия достижения результативности и эффективности для выполнения задач своей профессиональной или учебной деятельности, доказательность принимаемых решений, умение аргументировать свои заключения, выводы.
