Dear Sophie,

My name is Margarita and I will be your teacher this year. I thought that it would be nice if we could get to know each other a little before the term started, so I'm emailing everyone.

First, something about me. I live quite near the school with my husband and two children. I've attached a photo of me and the girls in our garden. They are six and eight and I'm sure you can imagine that they keep me quite busy! However, when I do have some spare time, I like walking and cycling. It keeps me fit as well. I also enjoy watching films. What are your hobbies?

It would be great if you could write back and tell me a little about yourself.

Best wishes,

Margarita.

Типовые задания для экзамена (УК-4)

1-й семестр

1. Here is a photo from a magazine. What can you see in the picture? What is happening? What is the situation?

2. Situation: You, some friends and their children are planning a trip to the zoo.

Task: Together plan what you want to do. Here are some ideas:

- When?

- Getting there?

- Favourite animals?

- Special shows?

- Food?

- Drinks?

- Other ideas?

3. You and your partner are thinking of spending a holiday together. Plan your holiday together and decide on the following things:

- Where to go?

- Where to stay?

- Other people going with you?

- How to get there?

- Time of year?

- Other ideas?

2-й семестр

You and your partner are planning to spend an evening out together. Discuss your ideas about the evening. Include the following points:

- What to do
- Money
- Time and place
- How to get there
- How to get home
- ...

First decide what you would like to do and why. Prepare to tell your partner your ideas and give reasons. Listen to your partner's ideas and reasons. Try to agree on something both of you would like.

3-й семестр

Please choose one of the two topics and give a short presentation on it. The questions and the pictures may help you. Your presentation should take about two minutes and you should answer the examiner's questions afterwards.

Topic 1: The environment:

- What do you think individual people can do to help protect the environment?
- How do you contribute and why is it important to you?

Topic 2: Work-life balance:

- How do you balance your work with the rest of your life?
- How can you achieve success at work and have a happy personal life?

4-й семестр

- A book that you have read (topic or plot, author, style, your opinion, etc.)
- A film that you have seen (topic and plot, actors, your opinion, etc.)
- A trip you have made (where, when, the local people and area, sights, etc.)
- A concert you have attended (type of music, musicians, where, personal preferences, etc.)
- A sporting event you have attended (which sport, where, people involved, result, etc.)

2. You and your partner want to organise something special over a day or two for your friend Susan's 20th birthday. First decide on your ideas for Susan's birthday celebration. Tell your partner your ideas and try to agree on something that you and Susan would all enjoy.

5-й семестр

Give your opinion on the following statements and consider various points of view, not just your own.

1. Being self-employed is risky and puts much more pressure on a person than holding a normal job. A self-employed person has more responsibilities and cannot enjoy all the benefits that normal employees are entitled to.
2. Since the job market has become increasingly unpredictable, being self-employed is the best alternative. That way, you are in charge of your destiny and have total control over your job.

7-й семестр

1. Ask your partner questions about her / his views on language learning using one or two of the following ideas:

- The most difficult aspects of learning a language?
- Has he/she tried e-learning?
- Possible to learn a language without living in the country?

After a short time the examiner will ask one or two extra questions on the same topic, e.g.:

- Can you imagine living in a country without any knowledge of the language? How could you survive?
- Why do you think some people never learn another language?

- Should migrants be legally obliged to learn the language of their host country?

2. Ask your partner questions about her / his views on language learning using one or two of the following ideas:

- Any prejudices encountered? How did they arise?
- How much time has he / she spent in other countries?
- The greater problem when abroad – different language or culture?

After a short time the examiner will ask one or two extra questions on the same topic.

3. Ask your partner questions about her/his views on language learning using one or two of the following ideas:

- Which countries he / she knows? favourite countries?
- What is better in which countries?
- Emigrate for work reasons?

After a short time the examiner will ask one or two extra questions on the same topic.

4. Ask your partner questions about her/his views on language learning using one or two of the following ideas:

- Why do people emigrate?
- Has he/she ever considered living abroad? Where? Why there?
- What problems might migrants have?

After a short time the examiner will ask one or two extra questions on the same topic, e.g.:

- What do you look for when visiting a country for the first time?
- Should migrants adapt to the customs of their host country?
- Do schools do enough to prevent prejudice?

5. Choose one of the two topics. You have a short time to prepare a presentation on one of the topics. You should speak for about one and a half minutes.

6. Choose one of the two topics. You have a short time to prepare a presentation on one of the topics. You should speak for about one and a half minutes.

- You are at an international summer course. You have to present yourself and the college or university where you study or studied.
- What, in your opinion, are the positive and negative aspects of being self-employed?

7. Choose one of the two topics. You have a short time to prepare a presentation on one of the topics. You should speak for about one and a half minutes.

- You are taking part in an international summer course. You have to give a brief presentation of the area where you live.
- What, in your opinion, are the positive and negative aspects of living in the country you live in?

8-й семестр

Situation: You are taking part in a formal panel discussion. You are asked to introduce the topic.

Task: Choose either topic A or B. You have 20 minutes to prepare a presentation on this topic. You may make notes and refer to them during your presentation but you should not read a prepared text. Your presentation should last 6–8 minutes. It should be clear and well structured, highlighting the points that you think are the most essential and providing supporting details.

Topic A: How do you think that technological developments have affected education in schools and in the workplace?

Your talk should include examples of how the way that we learn or what we learn has changed as a result of the use of computers and access to the Internet. You should also consider possible future developments.

Topic B: Present your opinion of the European Union, considering past, present and future developments. You can focus on one or several aspects such as political, historical, cultural, environmental, economic or other factors.

5. Методические указания для обучающихся по освоению дисциплины (модуля)

5.1 Методические указания по организации самостоятельной работы обучающихся:

Приступая к изучению дисциплины, в первую очередь обучающимся необходимо ознакомиться содержанием рабочей программы дисциплины (РПД), которая определяет содержание, объем, а также порядок изучения и преподавания учебной дисциплины, ее раздела, части.

Для самостоятельной работы важное значение имеют разделы «Объем и содержание дисциплины», «Учебно-методическое и информационное обеспечение дисциплины» и «Материально-техническое обеспечение дисциплины, программное обеспечение, профессиональные базы данных и информационные справочные системы».

В разделе «Объем и содержание дисциплины» указываются все разделы и темы изучаемой дисциплины, а также виды занятий и планируемый объем в академических часах.

В разделе «Учебно-методическое и информационное обеспечение дисциплины» указана рекомендуемая основная и дополнительная литература.

В разделе «Материально-техническое обеспечение дисциплины, программное обеспечение, профессиональные базы данных и информационные справочные системы» содержится перечень профессиональных баз данных и информационных справочных систем, необходимых для освоения дисциплины.

5.2 Рекомендации обучающимся по работе с теоретическими материалами по дисциплине

При изучении и проработке теоретического материала необходимо:

- просмотреть еще раз презентацию лекции в системе MOODLe, повторить законспектированный на лекционном занятии материал и дополнить его с учетом рекомендованной дополнительной литературы;
- при самостоятельном изучении теоретической темы сделать конспект, используя рекомендованные в РПД источники, профессиональные базы данных и информационные справочные системы;
- ответить на вопросы для самостоятельной работы, по теме представленные в пункте 3.2 РПД.
- при подготовке к текущему контролю использовать материалы фонда оценочных средств (ФОС).

5.3 Рекомендации по работе с научной и учебной литературой

Работа с основной и дополнительной литературой является главной формой самостоятельной работы и необходима при подготовке к устному опросу на семинарских занятиях, к дебатам, тестированию, экзамену. Она включает проработку лекционного материала и рекомендованных источников и литературы по тематике лекций.

Конспект лекции должен содержать реферативную запись основных вопросов лекции, в том числе с опорой на размещенные в системе MOODLe презентации, основных источников и литературы по темам, выводы по каждому вопросу. Конспект может быть выполнен в рамках распечатки выдачи презентаций лекций или в отдельной тетради по предмету. Он должен быть аккуратным, хорошо читаемым, не содержать не относящуюся к теме информацию или рисунки.

Конспекты научной литературы при самостоятельной подготовке к занятиям должны содержать ответы на каждый поставленный в теме вопрос, иметь ссылку на источник информации с обязательным указанием автора, названия и года издания используемой научной литературы. Конспект может быть опорным (содержать лишь основные ключевые позиции), но при этом позволяющим дать полный ответ по вопросу, может быть подробным. Объем конспекта определяется самим студентом.

В процессе работы с основной и дополнительной литературой студент может:

- делать записи по ходу чтения в виде простого или развернутого плана (создавать перечень основных вопросов, рассмотренных в источнике);
- составлять тезисы (цитирование наиболее важных мест статьи или монографии, короткое изложение основных мыслей автора);
- готовить аннотации (краткое обобщение основных вопросов работы);
- создавать конспекты (развернутые тезисы).

5.4. Рекомендации по подготовке к отдельным заданиям текущего контроля

Собеседование предполагает организацию беседы преподавателя со студентами по вопросам практического занятия с целью более обстоятельного выявления их знаний по определенному разделу, теме, проблеме и т.п. Все члены группы могут участвовать в обсуждении, добавлять информацию, дискутировать, задавать вопросы и т.д.

Устный опрос может применяться в различных формах: фронтальный, индивидуальный, комбинированный. Основные качества устного ответа подлежащего оценке:

- правильность ответа по содержанию;
- полнота и глубина ответа;
- сознательность ответа;
- логика изложения материала;
- рациональность использованных приемов и способов решения поставленной учебной задачи;
- своевременность и эффективность использования наглядных пособий и технических средств при ответе;
- использование дополнительного материала;
- рациональность использования времени, отведенного на задание.

Устный опрос может сопровождаться презентацией, которая подготавливается по одному из вопросов практического занятия. При выступлении с презентацией необходимо обращать внимание на такие моменты как:

- содержание презентации: актуальность темы, полнота ее раскрытия, смысловое содержание, соответствие заявленной темы содержанию, соответствие методическим требованиям (цели, ссылки на ресурсы, соответствие содержания и литературы), практическая направленность, соответствие содержания заявленной форме, адекватность использования технических средств учебным задачам, последовательность и логичность презентуемого материала;
- оформление презентации: объем (оптимальное количество), дизайн (читаемость, наличие и соответствие графики и анимации, звуковое оформление, структурирование информации, соответствие заявленным требованиям), оригинальность оформления, эстетика, использование возможности программной среды, соответствие стандартам оформления;

7. Материально-техническое обеспечение дисциплины, программное обеспечение, профессиональные базы данных и информационные справочные системы

Для проведения занятий по дисциплине необходимо следующее материально-техническое обеспечение: учебные аудитории для проведения занятий лекционного и семинарского типа, групповых и индивидуальных консультаций, текущего контроля и промежуточной аттестации, помещения для самостоятельной работы.

Учебные аудитории и помещения для самостоятельной работы укомплектованы специализированной мебелью и техническими средствами обучения, служащими для представления учебной информации большой аудитории.

Помещения для самостоятельной работы укомплектованы компьютерной техникой с возможностью подключения к сети "Интернет" и обеспечением доступа в электронную информационно-образовательную среду Университета.

Для проведения занятий лекционного типа используются наборы демонстрационного оборудования, обеспечивающие тематические иллюстрации (проектор, ноутбук, экран/ интерактивная доска).
